

CURRICULUM VITAE

MITRA ZANDI (BScN, MScN, PhDN, Post Doc.)

Latest update: August, 2024

PERSONAL INFORMATION

Last name, First name: Zandi, Mitra
Credentials: Associate Professor in Nursing, BScN, MScN, PhDN, Post Doc
Work address: School of Nursing & Midwifery in Shahid Beheshti University of Medical Sciences, Intersection of Valiasr St. and Niayesh Highway, in front of Rajaei Hospital, Niayesh Complex, Tehran, Iran.
School of Nursing and Midwifery, Hamadan University of Medical Sciences
E-mail: mitra.zandi@yahoo.com (check every day), mitra.zandi@sbmu.ac.ir

EDUCATION AND TRAINING

Education

School: Tarbiat Modares University
Degree: PhD
Major: Nursing Education
Dates: 2008-2012
Thesis title Motherhood process in mothers using surrogacy and developing a care model (Great Idea Award)
Advisors Dr. Zohreh Vanaki, M.Sc., Ph.D. Professor of Nursing,

School: Tarbiat Modares University
Degree: MScN
Major: Medical-Surgical Nursing
Dates: 2001-2003
Thesis title Effect of self-care program on the quality of life of patients with cirrhosis presenting to Tehran Hepatitis Center (Top Student Award)
Advisors Dr. Seyed Moayed Alavian, M.D., Professor of Gastroenterology and Hepatology.

School: School of Nursing and Midwifery, Tehran University of Medical Sciences
Degree: BSc
Major: Nursing
Dates: 1996-2000

Post Doc Education

School: The Virtual School of Shiraz University of Medical Sciences (SUMS), Iran
Degree: Fellowship of E-Learning
Dates: 2023
Major: Post doctorate, Infertility Nursing
Dates: 2013-2015
Thesis title Coping of infertile couples with feeling insecure in parenting
Advisors Dr. Eesa Mohammadi, M.Sc., Ph.D. Professor of Nursing.

PROFESSIONAL AND CLINICAL APPOINTMENTS

Position: Faculty Member
Institution: School of Nursing and Midwifery, Shahid Beheshti University of Medical sciences, Tehran, Iran
Dates: June 2014 – Present

Position: Faculty Member
Institution: School of Nursing and Midwifery, Qom University of Medical Sciences, Qom, Iran
Dates: Sep. 2007-Feb. 2008

Position: Faculty Member
Institution: Kashan University of Medical Sciences, Kashan, Iran
Dates: Apr. 2004 – Sep. 2007

Position: Nurse
Institution: BooAli Hospital, Tehran, Iran
Dates: 01/2001 – 04/2001

Position: Nurse
Institution: Eyvazzadeh Hospital, Tehran, Iran
Dates: Sep. 2001 – Apr. 2003

HONORS AND AWARDS

- The "International Nursing Scientist" award (due to developing of two nursing diagnoses to NANDA-I) from the Honorable Minister of Health Dr. Einollahi 2020
- The best idea award (doctoral thesis) from the president of Tarbiat Modares University in 2012.
- Top student (MScN), Acknowledged by Dean of Tarbiat Modares University (2003).
- The best poster award at the Iran Nursing Conference, 2004, Tehran.

CONFERENCE PRESENTATIONS

Poster Presentation

1. Diet in cirrhosis and its effect on abdominal symptoms of cirrhotic patients presented at Eighth Iranian Nutrition Congress, Tehran, Iran. Sep. 6-9, 2004
2. Viral hepatitis in nurses presented at the Nursing Congress on Iran in 1400, Horizons and Challenges, Tehran, Iran. Nov. 30 - Dec. 2, 2004.
3. Effects of self-care program on quality of life of cirrhotic patients presenting to Tehran Hepatitis Center presented at the Fourth International Congress on Gastroenterology and Hepatology, Tehran, Iran, Dec. 5-7 2004.
4. Presenting practical solutions to control systemic symptoms in liver cirrhosis and their effect on quality of life presented at the First National Conference of Quality of Life, Tehran, Iran, Feb 2-8, 2005.
5. Effect of self-care program on reducing anxiety in patients with cirrhosis presented at Sixth National Seminar on Stress-Related Diseases, Tehran, Iran, Jun. 11-13, 2004.
6. Assessment of clinical evaluation methods by faculty members of Kashan nursing school presented at the Seventh National Conference of Medical Education, Tehran, Iran, Nov. 12-15, 2005.
7. The quality of life of patients with MI presented at the Seventh Congress on Cardiovascular News, Tehran, Iran, Jun. 19, 2005.
8. Examining hypertension symptoms based on prevalence in patients presenting to Kashan medical centers presented at the Seventh National Congress on Cardiovascular News, Tehran, Iran. Jun. 19, 2005.
9. Screening Domestic Violence presented at the Fourth Nursing Conference of Children's Diseases, Tehran, Iran, Oct. 27 – Nov. 1, 2006.
10. The challenge for nursing Child Abuse presented at the Fourth Nursing Conference of Children's Diseases, Tehran, Iran, Oct. 27 – Nov. 1, 2006.
11. The challenge for nursing Child Abuse presented at the Fourth Nursing Conference of Children's Diseases, Tehran, Iran, Oct. 27 – Nov. 1, 2006.
12. Aromatherapy in children presented at the Fourth Nursing Conference of Children's Diseases, Tehran, Iran, Oct. 27 – Nov. 1, 2006.
13. Interferon therapy and its impact on quality of life presented at the National Conference of Gastroenterology and Hepatology, Mashhad, Iran, Nov. 22-24, 2006.
14. The effect of body mass index on self-care ability of diabetic patients presented at the National Health Promotion Conference, The Role of Nurses and Midwives, Hamadan, Iran, Oct. 28-29, 2006.

15. The quality of clinical field training according to the views of nursing students presented at the Eighth National Conference of Medical Education, Kerman, Iran, Mar. 6-8, 2007.
16. Students' views on the effect of lesson plan presentation on the readiness of teachers and students in the classroom presented at the Eighth National Conference of Medical Education, Kerman, Iran. Mar. 6-8, 2007
17. Examining and comparison of the quality of life of diabetic men and women presented at the National Seminar of Health Promotion in Vulnerable Groups, Sanandaj, Iran, Apr. 25-26, 2007.
18. Self-care as a solution to improve the quality of life of diabetic patients presented at the Third Conference of Education, Health, and Quality of Life: The Role of Nurses and Midwives, Ramsar, Iran, May 31, 2007.
19. Quality of life in Patients treated with interferon-alpha (PDferon B®) presented at the Third Conference of Education, Health, and Quality of Life: The Role of Nurses and Midwives, Ramsar, Iran, May 31, 2007.
20. Quality of life in diabetic patients with and without visual impairment complication in Kashan diabetes center presented at the Third Conference of Education, Health, and Quality of Life: The Role of Nurses and Midwives, Ramsar, Iran, May 31, 2007.
21. The quality of clinical field training according to the views of instructors of the Kashan Nursing School presented at the First Conference of Research in Nursing, Midwifery and Paramedicine Education, Kermanshah, Iran, Jul. 17-18, 2007.
22. Remarriage in old age presented at the First Congress on Aging, Kashan, Oct. 23-27, 2007.
23. Different physical and mental status of the elderly presented at the First Congress on Aging, Kashan, Oct. 23-27, 2007.
24. Elderly diabetics and their self-care status presented at the First Congress on Aging, Kashan, Oct. 23-27, 2007.
25. Examining poly-pharmacy in elderly patients admitted to Shahid Beheshti Hospital of Kashan presented at the First Congress on Aging, Kashan, Oct. 23-27, 2007.
26. Quality of life in the elderly with diabetes presented at the First Congress on Aging, Kashan, Oct. 23-27, 2007.
27. Examining nursing students' attitude towards caring for elderly patients presented at the Third Congress on Elderly Issues in Iran and the World, Tehran, Iran, Mar. 2007.
28. Sleeping patterns and problems in 2-5-years-old children in Qom presented at the The 21st International Conference of Children, Tehran, Iran, Jun. 11-14, 2008.
29. The necessity to address the nursing position in assisted reproductive technologies presented at the National Congress on Quality Improvement in Care Services, Sanandaj, Iran, Oct. 19-20, 2009.
30. Promoting clinical education through performance-based learning and reform presented at the Second National Conference of Quality Improvement Strategies, Yazd, Iran, Feb. 22-24, 2011.
31. Surrogacy, fears and hopes in the embryo implantation process presented at the First Annual Congress on Ethics and Reproductive Rights, Challenges and Solutions to Surrogate Uterus, Royan Institute, Tehran, Iran, Jan. 4-6, 2012.
32. Psychosocial security of commissioning mothers in the waiting period presented at the Fourth National Seminar on Nursing, Midwifery, and Research, Golestan University of Medical Sciences, Gorgan, Iran, Dec. 14-15, 2011.
33. Objectivity of Dream: Becoming a Mother by Surrogacy presented at International Royan Congress, Razi International Conference Center, Tehran, Iran, Sep. 6-8, 2012.
34. Challenges of Commissioning Mothers in Iran for Selection of Surrogate Mothers presented at the International Royan Congress, Tehran, Iran, Sep. 6-8, 2012.
35. Failure to follow up the status of mothers after delivery, the missing link in the chain of care for surrogacy clients presented at the International Congress on Women's Health Promotion, Orumieh, Iran, Sep. 11-13, 2013.
36. Defective support of husbands in the process of becoming a commissioning mother presented at the International Congress on Women's Health Promotion, Orumieh, Iran, Sep. 11-13, 2013.
37. Emotional experiences of Iranian women with Mayer-Rokitansky-Hauser Syndrome: A qualitative study presented at the International Congress on Hepatitis, Tehran, Iran, 2017.
38. Hepatitis B prevention in nurses presented at International Congress on Hepatitis, Tehran, Iran, 2017.
39. Fertility after transplantation presented at the Asia and Pacific International Congress on Bone Marrow Transplantation, Tehran, Iran, 2017.
40. Indirect Patient Education presented at the 18th National Congress of the Iranian Association of Medical Oncology and Hematology, Tehran, Iran, 2019.

41. Nursing Care in Magut Therapy presented at the 4th International Congress of Wound and Tissue Repair, Islamic Azad University, Aliabad Katul branch, 2019.
42. The effect of palliative medicine on the fatigue and anxiety of nurses in the Covid-19 ward presented at the third national conference on care and treatment, 2022.

Oral Presentations

1. The effect of propolis and honey lotion on improving diabetic foot ulcers presented at
2. The Comparison of Nursing Students' Perceptions of the Educational Environment at Undergraduate and Graduate levels presented at the 3rd Global Conference on Nursing and Healthcare, Italy (virtual presentation), Jun. 19-21, 2023.
3. Comparing the Quality of Life in the Remarried and the Single Elderly presented at the 3rd Global Conference on Nursing and Healthcare, Italy (virtual presentation), Jun. 19-21, 2023.
4. The relationship between family function with happiness and general health of the hemodialysis patients in Qom province hospitals 2020 presented at the BLM2-ICAM4, Malaysia, Sep. 11, 2021.
5. Osteoporosis risk factors presented at the First International Seminar on Prevention, Diagnosis, and Treatment of Osteoporosis, Tehran, Sep. 23-24, 2004.
6. Assessment of the effect of self care program on quality of life in patients with cirrhosis presenting to Tehran hepatitis center (full article) presented at the Second National Conference of Nursing and Midwifery, Client, Participation, Health, Isfahan, Khorasan Branch, Dec. 15, 2004.
7. Fatigue and liver cirrhosis presented at the National Congress on Chronic Diseases, Lorestan, Iran, Mar. 2-3, 2005.
8. The relationship between sound pollution and hypertension in workers of cotton mills in Kashan presented at the Seventh Congress on Cardiovascular News, Tehran, Jun. 19, 2005.
9. New cardiac drugs presented at the Seventh Congress on Cardiovascular News, Tehran, Iran, Jun. 18, 2005.
10. New Cardiovascular Medicines presented at the National Congress on Cardiovascular News, Tehran, Iran, Aug. 4, 2006.
11. OAC- CPR: A new technique in CPR presented at the Tenth National Congress on Cardiovascular News, Tehran, Iran, Jun. 11-14, 2008.
12. Mothers' experiences; from denial of sterility to acceptance of surrogacy presented at the National Congress on Quality Improvement in Care Services, Sanandaj, Iran, Oct. 19-20, 2009.
13. Families' experiences about legal implications of surrogacy presented at the Second National Conference of Health Promotion Solutions and Challenges, Sari, Iran, Nov. 2, 2011.
14. The role of nursing instructors in integrating theory and practice presented at the Second National Conference of Quality Improvement Strategies, Yazd, Iran, Feb. 22-24, 2011.
15. Non-disclosure of surrogacy to the child: Solutions to protect oneself and the child presented at the First Annual Congress on Ethics and Reproductive Rights, Challenges and Solutions to Surrogate Uterus, Royan Institute, Tehran, Iran, Jan 4-6, 2012.
16. Explaining the position of nurses in the assisted reproductive technology of surrogacy presented at the National Conference of Developing Nurses' Role: A Step Towards Health Promotion, Mashhad, Iran, Feb. 5-7, 2013.
17. Seeking Security in Surrogacy Motherhood: A Grounded Theory presented at the International Royan Congress, Razi International Conference Center, Tehran, Iran, Sep. 4-6, 2013.
18. Empowering commissioning mothers in the process of becoming a mother presented at the National Conference of Education and Advice on Fertility Health, Mashhad, Iran, Nov. 18-20, 2014.
19. Embryo Donation: Exploring Experiences of Mothers presented at the 24th Congress of Avicenna Research Institute Infertility Treatment: A Journey from Diagnosis to Health Childbirth, Avicenna Research Institute, Tehran, Iran, Jan. 4-6, 2023.
20. The use of third-party assisted reproductive technologies and how to manage ethical challenges in the relationships of the parties presented at The 7th Nursing Ethics Congress (National), Ministry of Health and Medical Education, Tehran, Iran, Jan. 30 – Feb. 1, 2024.

SKILLS

Soft Skills

- Passionate about learning and eager to teach
- Extremely coordinated and goal-directed
- Time management and punctuality
- Flexibility and adaptability regardless of the prestige of the project/position
- Friendly relationships with students and patients
- Good listener

Computer Languages/ Environments

- Reference Manager (EndNote) (Intermediate)
- Microsoft Office (Advanced in Word and PowerPoint)

Research and Clinical Skills

- Gastrointestinal Clinical care nurse (Expert)
- Airway management (Intermediate)
- Research management (Intermediate)
- English speaking/writing skills (Intermediate)
- Study design (Intermediate)
- Scientific writing (intermediate)

RESEARCH PROJECTS

Project 1	Correlation between family functioning and lifestyle and resilience in nurses working in the corona department in the hospitals of Shahid Beheshti University of Medical Sciences in 2022
Status	In progress
Role	Executor
Project 2	The effect of guided mental imagery and progressive muscle relaxation on the relaxation of patients under non-invasive mechanical ventilation. 2022
Status	In progress
Role	Executor
Project 3	The effect of self-management virtual training of communication skills on occupational stress and the level of violence against emergency workers of hospitals affiliated to Shahid Beheshti University of Medical Sciences in 2022
Status	Completed
Role	Executor
Project 4	The correlation between family functioning with happiness and general health from the perspective of patients undergoing hemodialysis treatment in Qom province hospitals. 2019
Status	Completed
Role	Collaborator
Project 5	The type and intensity of perceived stress in patients with peptic ulcers.
Status	In progress
Role	Executor
Project 6	(Grant) Revision of the educational content of the Infectious Diseases Unit in the Nursing Curriculum. 2019.
Status	In progress
Role	Executor

Project 7	(Grant) The performance of physiological scoring systems in predicting the mortality of patients infected with the corona virus. 2019.
Status	Completed
Role	Executor
Project 8	Designing a palliative home care model for children with chronic disease. 2019.
Status	Completed
Role	Executor
Project 9	Comparison of the consequences related to physical and mental health in various treatment methods (microwave, arterial embolization, chemotherapy and surgery) in patients with liver cancer. 2019.
Status	Completed
Role	Executor
Project 10	A comparative study of the effect of group and individual sports on the loneliness of the elderly in Alborz province in 2019
Status	In progress
Role	Collaborator
Project 11	The effect of propolis and honey lotion on the healing of diabetic foot ulcers, 2019
Status	Completed
Role	Executor
Project 12	The quality of patient-centered care from the perspective of infertility clients in Shahid Beheshti University of Medical Sciences Fertility Assistance Centers: Providing recommendations, 2019
Status	Completed
Role	Executor
Project 13	Designing and determination of psychometric characteristics of safety instruments understood by hospitalized patients, 2019
Status	Completed
Role	Executor
Project 14	A study comparing the quality of nursing care provided by male and female nurses from the perspective of hospitalized patients in the general wards of selected hospitals of Shahid Beheshti University of Medical Sciences in 2016
Status	Completed
Role	Executor
Project 15	Evaluation of quality of life related to the health of patients with hepatitis C with cirrhosis of the liver treated with oral antiviral drugs before and after treatment in Tehran Hepatitis Center, Shahid Beheshti University of Medical Sciences, Student Research Center, 2017
Status	Completed
Role	Executor
Project 16	Factors related to functional independence in daily activities of older people with osteoarthritis in Mashhad” Shahid Beheshti Nursing and Midwifery Faculty, 2016
Status	Completed
Role	Collaborator
Project 17	“Effect of preparation for maternal role program on self-esteem and anxiety in women undergoing in-vitro fertilization”, a joint project of Shahid Beheshti Nursing and Midwifery Faculty and Royan Institute, 2016
Status	Completed

Role	Executor
Project 18	“Impact of a short-term awareness program on the attitude of nursing students of Shahid Beheshti University toward egg donation”, Shahid Beheshti University of Medical Sciences, Student Research Center, 2016
Status	In progress
Role	Executor
Project 19	“Explaining the challenges of clinical education from the perspective of operating room anesthetics undergraduate students”, Anesthesiology Research Center, Shahid Beheshti Nursing and Midwifery Faculty, 2017
Status	In progress
Role	Collaborator
Project 20	“Explaining the process of adherence to diet treatment in patients with type 2 diabetes”, Shahid Beheshti University of Medical Sciences, 2015
Status	Completed
Role	Main Collaborator
Project 21	“Endometriosis and sexual health: a systematic review”, Iranian Institute for Health Sciences Research, University of Tehran, 2014
Status	Completed
Role	Main Collaborator
Project 22	“Theoretical explanation of the security concept in families receiving donated eggs”, Royan Institute, Tehran, 2013
Status	Completed
Role	Executor
Project 23	“Explaining the process of becoming a mother in commissioning mothers and designing a care model”, Royan Institute, Tehran, Started in 2010
Status	Completed
Role	Main Collaborator
Project 24	“The effect of continuous education program in interferon therapy on the quality of life in patients with Hepatitis B and C presenting to Tehran Hepatitis Center”, 15.03.2005
Status	Completed
Role	Executor
Project 25	Self-care in diabetic patients presenting to Kashan Diabetes Center”, 2005
Status	Completed
Role	Executor
Project 26	“Quality of life and associated factors in diabetes mellitus patients in Kashan Diabetes Center”, 2005
Status	Completed
Role	Executor

Nursing Students

Name	Course	Role	Thesis title	Status
Narjes Mousavizadeh	PhD	Consultant	Explaining the process of adherence to diet treatment in patients with type 2 diabetes	Completed
Azam Ishaqian	PhD	Supervisor	Designing a home-based palliative care model for children with cancer	Completed
Sahar Dabaghi	PhD	Supervisor	Design and validate a questionnaire of patient's feeling safe during an inpatient hospitalization	Ongoing
Maedeh Hasanqelyani	MSc	Consultant	The relationship between supportive needs, comfort, and general health of patients admitted to the intensive care units of selected hospitals affiliated to Shahid Beheshti University of Medical Sciences in 2016	Completed
Mahboubeh Ahmadpour	MSc	Consultant	Factors related to functional independence in daily activities of older people with osteoarthritis in Mashhad in 2015	Completed
Hasti Ansari Ashqali	MSc	Consultant	The effect of familiar tunes on reducing the agitation rate of patients admitted to intensive care units	Completed
Fahimeh Hasanbeygi	MSc	Supervisor	Assessment of nurses' required skills in selected fertility centers in Tehran based on nurses' viewpoints and expectations of patients presenting to the centers in 2016-2017	Completed
Atefeh Salimi	MSc	Supervisor	Effect of preparation for maternal role program on self-esteem and anxiety of women undergoing in-vitro fertilization	Completed
Mohaddeseh Mahmoudi	MSc	Supervisor	The status quo of epilepsy monitoring units in terms of patient safety in 2017	Ongoing
Mohaddeseh Mahmoudi	MSc	Supervisor	The effect of the familiarization tour on patients' anxiety before angiography of brain vessels in hospitals affiliated to Shahid Beheshti University of Medical Sciences in 2012	Completed
Mojgan Haji Ali Mohammadi	MSc	Consultant	The effect of the care program on the pattern of adaptation to the	Completed

			fatigue of elderly cancer patients undergoing chemotherapy	
Maryam Esmaeili	MSc	Supervisor	Comparison of Physical and Mental Health Outcomes in Different Therapeutic Methods (Occupational Therapy, Surgery, Arterial and Microwave Immobilization Chemistry) in Patients with Liver Cancer Refer to Imam Khomeini Hospital Complex in Tehran in 2019	Completed
Mahin Kakolarimi	MSc	Supervisor	The prevalence and causes of occupational injuries caused by sharp equipment in hospitals affiliated to Shahid Beheshti University of Medical Sciences from 2011 to 2017	Completed
Bahareh Bourbour Saheb Jam	MSc	Supervisor	Validation of “ Clinical Guidelines” of pain management in neonate admitted to NICUs	Completed
Fatemeh Ashtab	MSc	Consultant	Correlation between spiritual intelligence and the understanding of social stigma and self-management of patients with epilepsy presenting to Iranian Epilepsy Society in 2017	Completed
Somayeh Babamir	MSc	Supervisor	Comparison of Teach-Back and Multi-Media patient education Methods in self-care of Patients with Diabetic Foot ulcers referring to Shahid Beheshti university hospitals	Completed
Omid Atash Bahar	MSc	Supervisor	Comparison of sexual function and sexual satisfaction in women with diabetes with poor, moderate and good control in Shahid Beheshti Medical Sciences Hospitals, 2019	Completed
Elham Rasoolian	MSc	Supervisor	Investigating the effect of propolis and honey lotion on improving diabetic foot ulcers, 2019	Completed
Afshin Tadrissi	MSc	Supervisor	Comparison of elderly people's quality of life after remarriage with alone elders in Tehran, 2018	Completed
Rasool Shaker	MSc	Supervisor	Compare of nursing students' perceptions about the educational environment in undergraduate and postgraduate level at Shahid Beheshti University of Medical Sciences, 2020.	Completed
Soroor Khari	MSc	Supervisor	Comparison of Glasgow Coma Scale with Physiological Scoring Systems in the Discharge Outcomes Prediction of Traumatic Patients in Intensive Care Unit.	Completed
Meysam Azadhoseyni	MSc	Consultant	A comparative study of the effect of group and individual sports on	Completed

			the loneliness of the elderly in Alborz province	
Salimeh Akbarzadeh	MSc	Supervisor	Assessing the quality of patient-centered care from the perspective of infertility clients in Shahid Beheshti University of Medical Sciences Fertility Assistance Centers: Providing recommendations	Completed
Shahnaz Bolandiyan	PhD	Consultant	Explaining the process of forming love for the profession in nurses	Completed
Mohammad Hoseyn Akbarpoor	MSc	Supervisor	Evaluation of the Effect of Olfactory Training on Improving the Sense of Smell of COVID-19 Patients with Olfactory Dysfunction referring to Babol city health center, 2022	Completed
Mahla Ansari Manesh	MSc	Supervisor	Effect of using short message services on bowel preparation quality and satisfaction of patients undergoing colonoscopy of these services in selected hospitals of Shahid Beheshti University of Medical Science in 1400	Completed
Kimia Miri	MSc	Supervisor	Assessment of the Effect of topical `Scrophularia striata` solution on Healing of Peristomal Wound in Patients Referring to Tehran Ostomy Association, 2023	Completed
Nima Yadollahi	MSc	Supervisor	The effect of using a safe pad tool on the incidence of needle stick in the personnel of Imam Hossein Hospital, Shahid Beheshti University of Medical Sciences, Tehran	Completed
Atefeh Mohammad poor	MSc	Supervisor	Pyschometric Study of the Persion Version of the Coping Scale for Infertile Women (CSIW)	Ongoing
Mojghan Jokar	PhD	Supervisor	Designing and psychometrics properties of self-care tool for adults with pre-diabetes	Ongoing
Amir Mohamad Nazari	MSc	Supervisor	Designing and Accreditation of an Educational Program for Professional Nursing Care in Patients with Stroke	Ongoing
Alireza Alimohamadiha	MSc	Supervisor	Clinical validation study of a nursing diagnosis “Spiritual distress (00066)”in infertility patients	Ongoing
Sara Beykzadeh	MSc	Supervisor		Ongoing
Maedeh Beykverdi	MSc	Supervisor		Ongoing
Narges Jafar Malek	MSc	Consultant		Ongoing

TEACHING ACTIVITIES

- Date: 2023
Location: Shahid Beheshti University of Medical Sciences, Students Research Center, Tehran, Iran.
Courses: Workshop of proposal writing for the students of nursing, midwifery, operating room, and anesthetics in Nursing and Midwifery Faculty
- Date: 2018 and 2022
Location: Gastroenterology Research Center, Shariati Hospital, Tehran University of Medical Sciences
Courses: Gastroenterology nursing course
- Date: 2014, 2019, and 2023
Location: Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences
Courses: Article writing
- Date: 2022
Location: Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences
Courses: The principles of conducting Journal Club
- Date: 2018 and 2019
Location: Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences
Courses: Content analysis workshop for PhD students
- Date: 2018 and 2019
Location: Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences
Courses: Workshop of "Interviewing Techniques" for PhD students
- Date: 2018
Location: Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences
Courses: Concept Analysis Workshop for PhD Students
- Date: 2019
Location: Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences
Courses: Workshop of proposal writing for the students of nursing, midwifery, operating room, and anesthetics
- Date: 2017
Location: Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences
Courses: Workshop of diabetes pharmacology for nursing students
- Date: 2017
Location: Yazd University of Medical Sciences
Courses: Workshop of qualitative research and MAXQDA
- Date: 2016
Location: Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences
Courses: Workshop of principles of writing review articles
- Date: 2016
Location: Faculty of Nursing and Midwifery, Shahid Beheshti University of Medical Sciences
Courses: Workshop of proposal writing for master's students
- Date: 2016
Location: Mahshahr
Courses: Workshop of patient training for nurses of Mahshahr Oil Hospital

Date: 2015
 Location: Mahshahr
 Courses: Specialized workshop of laparoscopic care

Date: 2013
 Location: Tehran
 Courses: Specialized workshop of reading skills, (in collaboration with the municipality of Tehran - certified)

Date: 2007
 Location: Faculty of Nursing and Midwifery, Kashan University of Medical Sciences
 Courses: Workshop of empowering students' research methodology

Date: 2007
 Location: Faculty of Nursing and Midwifery, Kashan University of Medical Sciences
 Courses: The 9th workshop of students' research methodology

Date: 2006
 Location: Faculty of Nursing and Midwifery, Kashan University of Medical Sciences
 Courses: The 6th workshop of students' research methodology

Date: 2006
 Location: Faculty of Nursing and Midwifery, Kashan University of Medical Sciences
 Courses: Teamwork training at workshop of students' research methodology

Leadership/ Professional Activities

- Manager of the working groups for compiling nursing clinical guidelines and nursing diagnosis application in hospitals. Ministry of Health, 2022 -2024.
- Head of International Affairs in School of Nursing & Midwifery, Shahid Beheshti University of Medical Sciences, Tehran, Iran, 2022 to 2024.
- Coordinator of NANDA-I (Iran Network), 2024.
- Member of research and development committee. Ministry of Health, 2023 until now.
- Member of the PhD. nursing curriculum revision committee, representative of Shahid Beheshti Midwifery Nursing School in the Ministry of Health, 2023-2024.
- Member of the BSc nursing curriculum revision committee, representative of Shahid Beheshti Midwifery Nursing School in the Ministry of Health, 2022-2023.
- Member of the Scientific Committee of the 24th International Congress of the Research Institute of New Technologies of Biological Sciences, University Jihad- Avicenna Research center, under the title of a comprehensive look at infertility from diagnosis to the birth of a healthy baby. Shahid Beheshti University of Medical Sciences. 14 to 16 January 2023.
- Member of the nursing panel of the 24th International Congress of the Research Institute of New Technologies of Biological Sciences, Avicenna Research center, under the title of a comprehensive look at infertility from diagnosis to the birth of a healthy baby. Shahid Beheshti University of Medical Sciences. 14 to 16 January 2023.
- Regular Member of NANDA-I since 2022.

- Member of the MS nursing curriculum compilation committee, representative of Shahid Beheshti Midwifery Nursing School in the Ministry of Health and Medical Education, (online meeting). 2019.
- Diabetes Nurse Specialist Curriculum Development Committee, on behalf of Shahid Beheshti Nursing and Midwifery Faculty, Ministry of Health and Medical Education, summer 2017-2020.
- Gastrointestinal Nurse Specialist Curriculum Committee, on behalf of Shahid Beheshti Nursing and Midwifery Faculty, Tehran University of Medical Sciences Endocrinology and Metabolism Research Center, 2017-2018.
- Ph.D. Interview Executive Committee, Shahid Beheshti Nursing and Midwifery Faculty, 2017.
- Member of Scientific Committee of the International Congress on Stem Cell Transplantation, Espinas Palace Hotel, Tehran, November 2017.
- Scientific Committee of the Eleventh Annual Congress on Coloproctology and Incontinence, Milad Hospital Hall, Tehran, November 2017.
- Research manager, Ph.D. Students, Medical-Surgical Department, Nursing and Midwifery Faculty, Shahid Beheshti University of Medical Sciences, since 2014.
- Admin of Medical-Surgical Department website, Nursing and Midwifery Faculty, Shahid Beheshti University of Medical Sciences, since 2014.
- Member of EDO Committee, Nursing and Midwifery Faculty, Shahid Beheshti University of Medical Sciences, since July 2014.
- Member of Research Committee in Medical-Surgical Department, Nursing and Midwifery Faculty, Shahid Beheshti University of Medical Sciences, since 2014.
- Member of Research Title Approval Committee, Medical-Surgical Department, Nursing and Midwifery Faculty, Shahid Beheshti University of Medical Sciences, since 2015.
- Member of Research in Education Committee, Medical Education Development Center (EDC), Kashan University of Medical Sciences, 2015-2017.
- Member of Talented Students Committee, Medical Education Development Center (EDC), Kashan University of Medical Sciences, 2016-2017.
- Scientific Committee of the 7th National Congress on Cardiovascular News, Tehran, June 17-20, 2005.
- Scientific Committee of the National Conference on Cardiovascular News, Tehran, August 3-5, 2006.
- Scientific Committee of the National Congress on Cardiovascular News, Tehran, June 21-23, 2007.
- Member of Medical Education Association, since 2005.
- Member of Authors Association (Reg. No. 20250) since 2007.
